

# R-Rated Bible Study!

What do the following things have in common:

- A woman drives a tent peg through a man's skull while he sleeps
- A king is knifed in his gut while in the toilet
- A father offers strange men the opportunity to have sex with his daughters
- Lust, murder, sex, and adultery

If you said the latest Quentin Tarantino movie, you'd be wrong. These are all stories found in the Bible! Beginning Sunday, August, 1, the Young Adult class will begin a study where we look at all of these stories and more. Come to the Young Adult class and learn all of the Bible stories you did **NOT** learn in Vacation Bible School!

The Young Adult class meets in Room 205 at 9:30 am each Sunday morning.
